

## CHANTS FOR THE MAY DAY MARCH

(The May Day March will go from West 73rd St. to West 96th St, along Broadway--approximately one mile. The route will take us through a densely populated area and, consequently, many people will see us.

A spirited march is infectious and could possibly attract many new people to enter its ranks. Therefore, it is important, not only for ourselves but for others, as well, that we show with as much fire as possible what this May Day March is all about.

If anything, the May Day March symbolizes our fight against the bosses. The suggested chants below will reflect this. So: SHOUT THEM LOUD, SHOUT THEM CLEAR!)

1. 30 HOURS WORK FOR 40 HOURS PAY!
2. FIGHT FOR SOCIALISM, POWER TO THE WORKING CLASS!
3. KICK THE BOSSES IN THE ASS, POWER TO THE WORKING CLASS!
