

We don't yet have a developed position around all the questions concerning the development of factory nuclei. However, we've begun some study on the issue and thought we might share a small list of references to nuclei that we've come across.

- 1) Communist International, Principles of Party Organization, 1921, subtitled "Thesis on the Organization of the Communist Parties", Mass Publications, Calcutta, 1975, pgs. 10-22.  
This document was drafted under Lenin's guidance and passed at the Third Congress of the Communist International, led by him.
- 2) Communist International, Resolution on the Organization of Factory Nuclei, Jan. 21, 1924, reprinted in "Unite" (MLOC), August, 1975, pgs. 11 & 18.
- 3) Communist International, The Work of Factory Nuclei, February 1920, reprinted in "The Communist" (Worker's Congress), June 17, 1975, pgs. 8-10.
- 4) Lenin, On Organization, 1922, Proletarian Publishers, pgs. 14-17.
- 5) Piatnitsky, The Bolshevisation of the Communist Parties of the Capitalist Countries by Means of Overcoming the Social-Democratic Traditions, Communist International, 1932, pgs. 354-363.
- 6) J. Peters, The Communist Party - A Manual on Organization, July, 1935, Proletarian Publishers, 1975, pgs. 44-62.
- 7) Troung Chinh, How Has Our Party Applied Marxism-Leninism in Viet Nam, 1969, in "Forward Along the Path Charted by K. Marx", pgs. 98-99.
- 8) E. F. Hill, Some Articles on Striving for Marxism Leninism in Australia, June, 1974, pg. 77.
- 9) Worker's Congress, Organizaing Factory Cells, Feb. 23, 1976, "The Communist", pg. 14.
- 10) MLOC, Lessons from the Shop Floor, Feb. 1976, "Unite", Vol. 2, No. 1, pgs. 7-9.
