To the Leninist Trotskyist Faction Coordinators

Dear Comrades,

The Steering Committee of the Leninist Trotskyist Faction voted on August 17, 1977 to dissolve the faction. The full reports on this will be published in the International Internal Discussion Bulletin, Vol. XIV, No. 8, September, 1977.

Many IIF members have outstanding pledges to the faction and we would like to encourage you to see that they are collected and sent in as quickly as possible because we are closing down the office in the next few weeks.

Comradely,

Gus Horowitz
