Dear Comrades,

The below listed comrades of the Internationalist Tendency of the Young Socialist Alliance, demand that they be immediately reintegrated into the Young Socialist Alliance. (For reasons that you are familiar with, we do not list a relatively large number of comrades who while they are members of the I.T. and who like all the other members of the I.T. have been defacto expelled, but who fall into a particular category. You likewise did not mention them in your communique /sic/ of expulsion but informed them orally. Our demand for reintegration of all I.T. comrades into the YSA of course includes these comrades.)

Our demand for immediate reintegration bases itself on the statement of the Internationalist Tendency Political Committee dated July 5, 1974. This statement is enclosed.
