To All National Committee Members:

Plenum:

Dear Comrades:

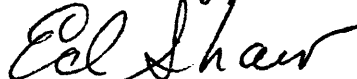

The forthcoming plenum of the National Committee was originally scheduled to take place in New York on October 28, 29, and 30, 1966. Now a nationwide antiwar demonstration has been called for November 6-8 by the Cleveland conference of representatives from nearly all segments of the anti-Vietnam War movement. Since many N.C. members will play an important role in organizing the November demonstrations, and since the demonstrations are to follow the scheduled date for the plenum by only one week, a conflict has arisen between necessary activity in building the demonstrations and attendance at the plenum. The National Office has already received requests from the field to postpone the plenum for this reason.

Therefore, the Political Committee recommends that the plenum of the National Committee be postponed for three weeks and that it take place in New York City on Friday, Saturday, and Sunday, November 18, 19, and 20.

We will disregard the attendance forms sent out earlier in connection with the original schedule.

Please reply promptly and use the attached report form to indicate whether you will be able to attend the meeting.

Comradely,

Ed Shaw
Organizational Secretary
