To All Locals and Members At-Large

Dear Comrades,

The September issue of the Young Socialist will be off the press very shortly. Articles in the issue will include: an interview with Paul Boutelle on the rise of the Black Power movement in England; excerpts from the international report delivered by Mary-Alice Waters to the July plenum of the YSA; an article on withdrawal vs. negotiations entitled: "An Election Year "Peace" Offensive -- Hocus-Pocus in Paris"; a feature on the Berkeley events in July and a review of the Rich and the Super Rich, among others.

Please fill out the form below indicating your September bundle order and return it to the national office by September 4. We will send out the standing orders to the local areas this week. Raises in bundles will be forwarded as soon as the forms are received.

Comrades should keep in mind that this will be the issue of the YS utilized on the initial trailblazes in the fall and the orders should correspond with the increase of activity and the openings for the sale of our press.

The October issue of the YS will deal with the election campaign. Information on that issue will be forwarded at a later date.

Comradely,

Carol Lipman
