ISRAEL WILL

LIVE!

In the 1930s the Jewish War Veterans were correct when they broke up Nazi meetings in New York City; they based their actions on the valid premise that anti-semitism is intrinsically evil to Jews.

Tonight when Jewish activists disrupt a function of the Socialist Workers Party, they are correct in doing so. Just as our fathers were impelled to engage the most virulent anti-semites of their day, so are we morally obligated to combat the Jew-haters of our day. NEVER AGAIN WILL SILENCE REIGN!

But why the SWP? The Party is conducting a campaign for the Presidency and other offices. SWP has its origins in the Communist Party, from which it split in 1928 and continues to maintain its totalitarian ideology even today. Its campaign for public office is merely a means of spreading anti-Israeli, communist propaganda.

Important to us as Jews is SWP's unconditional support of the Arab terrorists' genocidal war against the State of Israel. The Party produces the most sophisticated propaganda of any group on the left supporting Al Fatah and other Arab guerilla organizations. SWP, and its youth group, the Young Socialist Alliance have sponsored Mid-East "teach-ins" on many college campuses. These propaganda displays have brought vicious anti-Israeli and anti-semitic canards to many students. SWP & YSA MUST BE STOPPED!!!

While it is obvious SWP will get nothing more than a handful of votes, the effect of their vitriolic lies must be realized and countered. SWP candidates must be confronted and made to answer for their politics of genocide and hate!
