

DRAFT CALL FOR A NATIONAL WORKSHOP CONFERENCE

---Washington D.C. May 20-21

The purposes of this conference are to evaluate the April 15th MOBILIZATION, improve co-ordination and communication between various sectors of the movement, and exchange ideas on future programs and actions on the community and national level.

The workshop conference is scheduled to convene on the weekend of May 20-21 in order to allow for maximum participation in the May 17th confrontation with President Johnson at the White House.

The tentative agenda is as follows:
