TO ALL ORGANIZERS AND NC MEMBERS

Dear Comrades,

Enclosed is a report on the recent Young Workers Liberation League convention, based on a report given to the National Executive Committee on May 30, and copies of the political and industrial concentration reports presented to the YWLL convention. This material is being sent out so that comrades can begin to become more familiar with the activities and political positions of the YWLL. For the same reason, all locals should subscribe to the publications of the Communist Party and YWLL. The Daily World, reflecting the views of the CP, is available for \$5 for one year (special student rate) from The Daily World, P.O. Box 544 Old Chelsea Sta., New York, N.Y. 10011. The Young Worker, monthly magazine of the YWLL, is available for \$3 for one year from YWLL, 29 W. 15 St., 7th fl., New York, N.Y. 10011.

The development of the YWLL, our most significant opponent on the left, and our work of taking them on politically, will be discussed at the upcoming YSA plenum. Right now it is particularly important that we confront YWLLers with the Soviet Union's betrayal of the Vietnamese revolution through their diplomatic dealings with Nixon. The CP's awareness that many YWLLers will have misgivings about the Moscow trip is evident from the Daily World articles emphasizing over and over again that no sellout is taking place. We should make a special effort at this time to sell The Militant to YWLLers, talk to them about the Stalinist betrayal, try to set up debates between the YSA and YWLL on this question, etc.

Finally, comrades should remember to send in periodic reports on the activities of the YWLL in their areas.

Comradely,

Geoff Mirelowitz
