PLAN TO FIGHT LABOR IN EVERY COAST CITY

Bosses Band Together in Close and Secret Organization.

BY DANA SLEETH Special Correspondence. Portland, Ore., May 24.—The Citizens' Alliance of the Pacific Coast is definitely organized to elect men who will fight union labor in every city throughout the west.

Forming Political Machine Not only that, but the Coast Employers' association, as it calls itself, is forming a compact political machine that already has more influence and length of arm than any railroad lobby, or oil trust, or Guggenheim crowd that ever menaced free government.

Contrary to the primary law, marked ballots were sent through the mails to all the big interests in town, and a close fighting compact was formed with the legal light and power trust...

Job Harriman, the Candidate, Tells Why He'll Win—Workers All Voting Together.

BY R. W. MADISON Los Angeles, Cal., May 24.—The arrest and trial of John J. McNamara may elect a Socialist as the next mayor of Los Angeles.

This is possible, if not probable, not on the consideration of the guilt or innocence of the labor official charged with murder in connection with the Los Angeles explosion...

This fall a city election is to be held. Injected into that election, beside the trial of the McNamara brothers, charged with being dynamiters, will be the trial by the public of the present so-called custom administration.

Nearly three years ago Los Angeles ousted a Democratic machine government. Then the people elected George Alexander and a reform council.

How Reformers Work The "reformers" worked hard in glove with the business interests in the Merchants and Manufacturers' association...

This law was drafted with the assistance of Ed Rogers, a lawyer, representing the Merchants and Manufacturers' association. After a series of petty prosecutions, the working man turned when big business tried to forestall the destruction of the Times and union labor.

Now the toilers of the city to a man have banded together and are working for Socialism. Already they have chosen their representative and are lining up for the coming battle.

The Socialist candidate is Job Harriman, who will run on Socialist ticket for mayor of Los Angeles.

man. He once ran for vice president of the United States with Eugene V. Debs, and for years has been fighting for organized labor.

Harriman is one of the attorneys for the McNamara brothers. Explaining the effect of the trial of the McNamaras and the persecution of the working class by the so-called reformers will have on the future politics of the city, Harriman says:

"Before the fight came up the Socialists and the working voters were not united. The action of the present administration, working with the business interests to impede the progress of the strike, has united Socialists and workers in one voting group. Have the Socialists a chance of election? Well, let's see!"

"There are 40,000 voters in the city. There are nearly 20,000 union voters and Socialist voters among them. The Socialist's alone polled 10,000 votes at the last state election. I figure that Socialism can easily pass the primaries and that in the basis we will be victorious. When the victory is ours Socialism will put a check on the efforts of big business to constitute a city government to the interests of the dollar and treat the working classes as criminals."

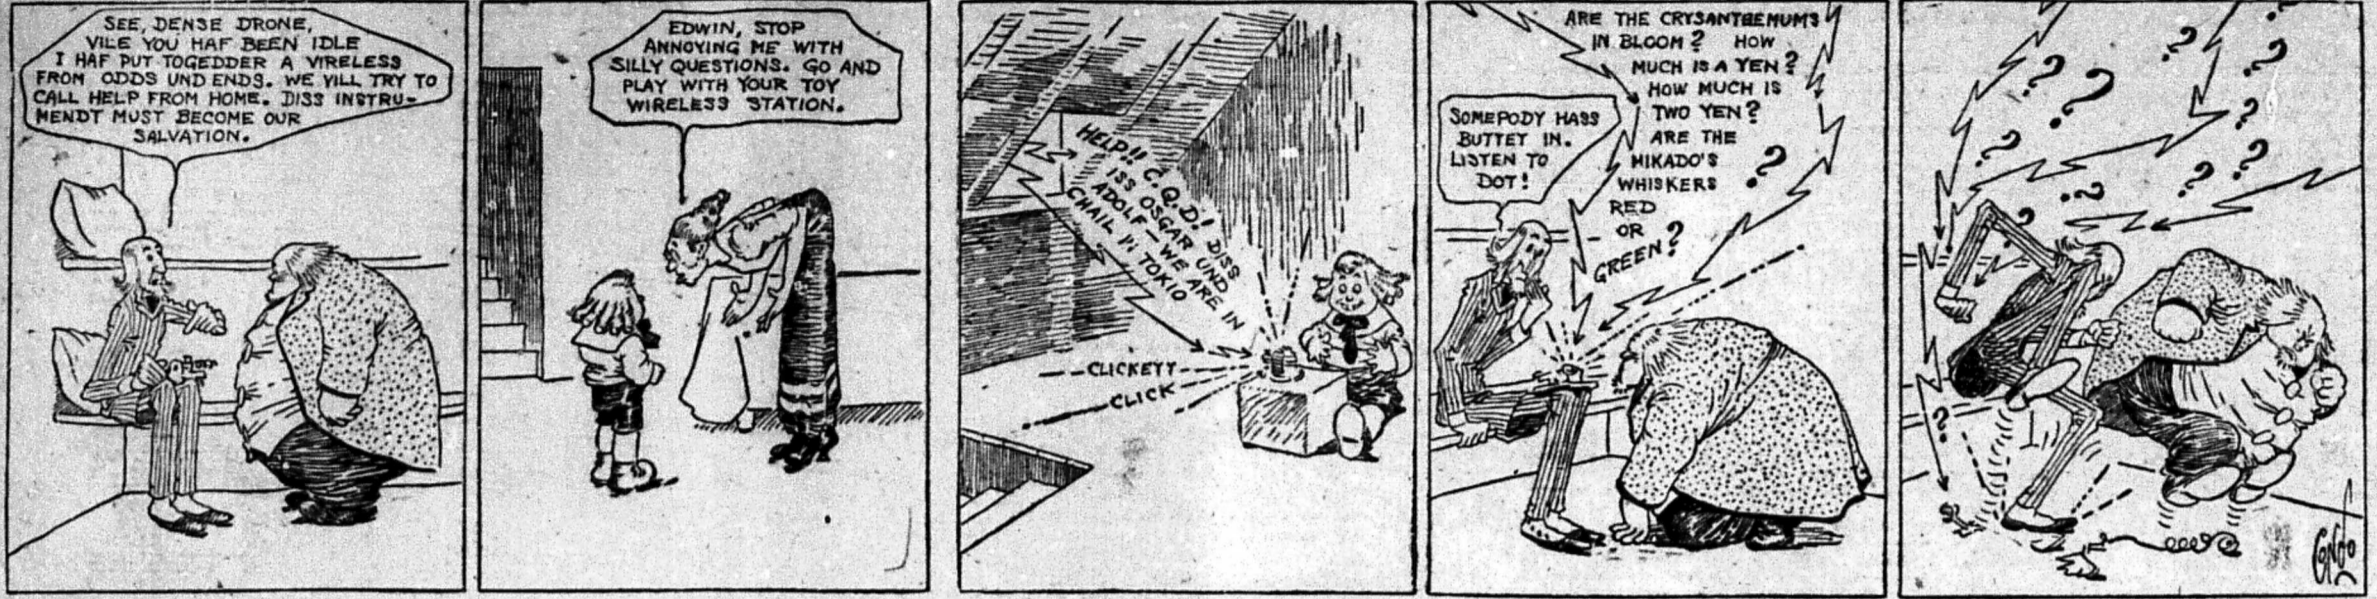

Darrow in Prison By United Press. San Francisco, Cal., May 24.—Charles S. Darrow, who will be chief counsel for John and James McNamara, accused of dynamiting the Los Angeles Times, is conferring with labor leaders here today. He will go to Los Angeles tonight.

He intimated that one line of defense would be that the printers are the only union men having a fight with General O'Leary, that the iron workers could not have had any motive for blowing up the Times.

HUBITES LICKED BY THE CUBS, 6-4

Boston, May 24.—Chalk up another victory for Murphy's aggregation. The score was 6 to 4 against Fred Tenney's forlorn hopes. That sounds kind of easy, but there were some doings out at the yard Tuesday. In the first place the Rustlers tied up the score twice in the first and seventh innings. In the second place the gents who performed in the task of said tying up were two ex-Cubs.

The opposing flingers were Brown and Richie. Once upon a time they played together in Philadelphia. Then they both came to Boston and shared each other's sorrows under the Dovsky regime, until Richie got swapped to Mr. Chance in a deal, which brought to Boston Doc Miller and his trusty budgeon. By the same token it was the doctor who started the trouble in the seventh inning Tuesday. He and Scotty Ingerfon, also ex-Cub, gave Mr. Chance an unhappy fifteen minutes.

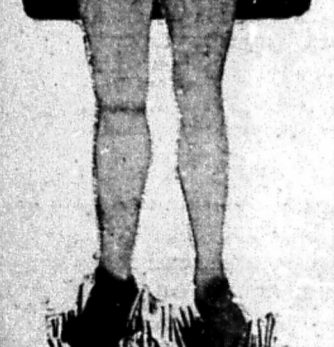

The Cubs got in from Philadelphia early Tuesday. This eastern trip of theirs hasn't been so bad after all. They started out like a wreck, dropping the first two battles in New York. But they got busy and evened up the Giant series and then continued to win over in Brooklyn. They absolutely refused to be frightened by the appearance of Philadelphia's winning column and licked the league leaders to a finish.

Three western teams have played twelve games here and the Rustlers have dropped them all. They'll have to drop three to Chicago and a like number to Brooklyn and the Phillies to be at the modern record. One thing's a cinch—they can't lose four to the Cubs, because only three are scheduled.

Mr. Chance is of a greedy nature. If Cincinnati, Pittsburgh and St. Louis had lost one or two at the south-end grounds he would have been content with two victories and one liking. But he won't be satisfied now with anything but a clean sweep.

PICKED TO WIN EMPIRE SPRINT

Ottawa, Ont., May 24.—Clocked in 0.45 seconds for the 100-yard sprint and holder of three Canadian championships, Frank Lukeman, the Ottawa Amateur Athletic association star, should be a cinch to win this summer.

best form. His experience enabled him to capture the Canadian all-around championship against the pick of American athletes and he will invade the United States and try to win the American all-around title.

HIGHLANDERS DEFEAT SOX AFTER DOZEN INNINGS

Russell Ford, Frank Farrell's wondrous pitcher, humiliated Big Ed Walsh at the South Side park Tuesday afternoon, and the Highlanders won from the White Sox after the game had been dragged out for twelve long innings by a score of 4 to 3.

FACTS FOR FIGHT FANS

It is thought at least a thousand Chicago fight fans will go to Gary, Ind., tonight to witness the Larsen-Sheridan battle there. The men are well matched. The fight will go ten rounds.

The challenge of "Cyclone" Johnny Thompson to Sam Langford has stirred Phil Schlossberg, the navy champion, into action. Schlossberg has challenged Thompson to determine which shall have the right to meet the Boston tar baby.

Jack White is today conceding a clean victory over Eddie Dennis, Battling Nelson's protegee, following their clash at St. Louis last night. White kept his opponent in hot water continually with jabs to the face.

Tommy Burns, former heavy-weight champion of the world, announced today in Seattle that instead of posing as a "white hope," he is going to become manager of one. Burns will leave shortly for Australia, where he will be in hand the affairs of Jack Lester, who has been disqualified recently in his bout with Bill Lange.

Kid Farmer, a Peoria lightweight, is thought to be a comer today because of his showing at Alton, Ill., against Johnny Dohan of Brooklyn, who out-punched Matt Wells, the English champion. Farmer held Dohan to a draw here last night after six rounds of clever work. In a preliminary, Maxwell was awarded a decision over Dick Sullivan in five rounds.

A lively fight which may disrupt the congregation of the Greene Avenue Presbyterian Church in Brooklyn, is impending today because the pastor, the Rev. Dr. C. H. Eggleston, not only witnessed but applauded a boxing bout in the church gymnasium. The boys of the Greene Avenue church and of St. Paul's Lutheran church had a joint athletic meeting last night, which was to wind up with three three-round boxing contests between representatives of each church. The first one, between Tim Moran of St. Paul's and "Kid" Dresser of the Greene Avenue church, was a hammer-and-tongs event, in which there were two knockdowns and blood drawn on both sides. The cheering attracted Deacon Jaeger, who, horrified, stopped the bout by threatening to call the police.

TIPS FROM Tip Wright

The secret of why the Boston Nationals are called the "Rustlers" is at last out. They are rustling for one lone victory to break their losing streak.

Kindly note that St. Louis is ahead of Cincinnati.

Outfielder Titus broke a small bone in his ankle in sliding to the plate. He will be out of the game for several weeks. His loss weakens the Phillies' attack.

The Rustlers have lost 13 straight. And yet some persons insist that 13 is not an unlucky number.

Pitcher Walter Johnson relieved Gray in the eighth and forced the tying and winning runs on Detroit by passes. Johnson gets \$7,000 a year, too.

A New York scribe is authority for the statement that Cincinnati hasn't beaten Mathewson since 1907.

Melton answered present with two singles and a duo of doubles in four times up. Wonder if the White Sox couldn't use him now.

Chas. W. Murphy, president of the Cubs, will probably call on County Attorney Tatge today in reference to the threatened action for moving the Cub park away from their vicinity of the county hospital.

Ty Cobb stole three bases, but it doesn't seem to have been his fault, for even such a dough-foot as Sam Crawford swiped two.

Jackson, Lajoie and Turner were all out of the Cleveland lineup and the Athletics proceeded to raid the crickets.

Rhie did his usual "blow" stunt for the Cubs but little "Three Fingered" was right on the job with his semi-weekly rescue stunt.

"Lena" Blackburn, Comiskey's \$11,000 beauty and the millionaire kid of baseball, will probably undergo an operation for floating knee cartilage today. The operation was scheduled to be performed early in the spring, but was postponed. It is doubtful whether Blackburn will play again this season.

Al Leisy, principal owner of the Peoria Three-eye baseball team, announced that the determination of the owners not to sell had been reconsidered and that the franchise was on the market. Lack of support is given as the reason for selling. Commercial clubs of Decatur and Bloomington are negotiating for the purchase of the franchise.

Johnny Evers, the Cubs' star second baseman, returned from his home in Troy, N. Y., and will remain here until he has entirely recovered from his recent attack of nervous prostration. Evers went immediately to his home here and was put to bed. He said he hoped to be able to re-enter the Cubs' lineup when the team returned from the East.

THE NERVIEST DECISION EVER MADE IN A GAME

"The nerviest decision and one of the most important ever made was that of Umpire O'Day for a world's championship game between Chicago and Detroit on Oct. 8, 1907—the first game of the series, which finally ended in a tie in twelve innings," writes Hugh Fullerton in the June number of the American Magazine. "In the eleventh inning Chicago actually scored the winning run only to lose it through the decision of O'Day, a Chicago man and a third National Leaguer. Single was on third base and started home with the ball back of third in left field. The ball was thrown home and arrived after Slagle had crossed the plate and was nearly to the bench. Steinfield, who had been batting, was excited and when the ball was thrown to the plate, wild and wide, he jumped, and let it hit his shoulder and prevented Schmidt from catching it. O'Day, in spite of the fact that Slagle had crossed the plate and that there wasn't a chance to put him out, called him out because of Steinfield's interference."
