STANDARD OIL TRUST COLLECTS 40 MILLION DOLLARS IN 3 MONTHS MILLIONAIRES GET ALL PROFITS

By LELAND OLD, (Prested Press Industries Editor)

The Standard Oil dynasty still rules in 1935, collecting for the mass of petroleum products in the second quarter of 1935, only \$1,985,738 in cash dividends.

This is the largest amount ever distributed in cash dividends for April, May and June in the history of the trust. On the other hand, the Standard Oil companies have collected 40 million dollars in the same three months...

U. S. GIVES KLAN PARK, REFUSES SAME TO ANTIS

Coolidge Government Shows Its Leaning

WASHINGTON, July 15.—(AP)—Col. C. O. Sherrill has told the press that he will not retract his decision to let them use the land for a Klansmen's picnic. The Klansmen have been given the same land for their picnic grounds for the year 1935...

The exceptional 1933 figure includes \$20,235,235 in federal income tax. The Oil of New Jersey from repayment of loans to the Federal Reserve Bank...

Standard Oil officials today announced that they had increased their profit three times that of 1933, the increase amounting to more than 150 per cent.

The enormous funds available to Standard Oil over the past quarter year could be profitably invested in America's distressed and overproduced industries. As a result they will be able to increase their unlimited exploitation of subject populations throughout the world.
